Escape with us to Thailand

Lunch at a floating fishing village - The hundreds of huts, restaurants and houses where the Koh Panyi villagers live are built on stilts over the surrounding sea. It's a fascinating place to visit during your yacht charter in Phuket, where you can enjoy a lunch of freshly-caught fish, go shopping and visit the friendly locals.

Visit James Bond Island - Excellent anchorages are to be found at the prestigious Phang Nga Bay, where you will also find the famed James Bond Island. Secret lagoons and crystal clear waters highlight the unspoiled beauty of this magical bay, recognizable for the sheer limestone karsts that jut straight up from the water, making it one of the top things to do in Thailand.

Marvel at Hong Lagoon - Koh Hong, off the coast of Krabi, is part of the Than Bok Khorani National Park and features one of the more recognizable lagoons in Thailand. Visit early during your yacht rental in Thailand and enjoy the stunning beach and walking trail before the tour visitors arrive.

Explore Koh Phi Phi Don - Koh Phi Phi Don is a popular tourist attraction and while it may not be the place to visit for solitude, it retains an appeal to visitors looking for a lively scene. Enjoy its beachfront restaurants, bars and shops at Tonsai Bay, blending in with the stunning scenery.
